GETTING AROUND

Metro

A single metro ticket costs €1.90, and can be used for one journey, including all connections. White-coloured tickets can be purchased singly or in a book of 10 ("carnet") for €16, at the ticket offices or machines in metro stations, and also in some tobacconists.

Those tickets cover zones 1 an 2.

RER

In the RER, as long as you remain within the city limits, tickets and prices are identical to the metro (RER stations also have their own ticket offices and machines). If you are travelling beyond the city limits, you will not be able to go through the automatic barriers on arrival and you may be liable to a fine.
